WE ARE DRY BAR SPECIALISTS

We can manufacture any style of dry bar to suit your project, single tier, two tier, stone, marble, polywood, acrylic, timber so you name it, we'll make it!

You can have powder coat steel, 304, 316 and 602 Marine grade steel if you wish. You can have fully welded or in knock down format. You can have castors, coat hooks, custom designs and logo laser cut panels to the sides. The options are endless.

Our friendly design team can provide drawings for you to bring your ideas to life!

All our dry bars are guaranteed for 5 years in a commercial environment and there are no minimum order quantities required.

S4 DRY BAR

- Fully welded 304 Grade Stainless Steel
- 50mm square tube
- Inlay stone top
